

Frequently Asked Questions

Purely Giving™ Company

What is Purely Giving™?

Purely Giving™ is a giving company that offers nutritional supplements designed to help people get their live their best life.

What kind of products does Purely Giving™ offer?

We sell high-quality, results-driven products that help in areas that most of us struggle with from time to time such as weight loss, energy, mood and sleeping.

Do I have to sell Purely Giving™ products or can I just use them myself?

No selling required! We certainly encourage anybody that is interested in our products to use them. You have no obligation to sell or share Purely Giving™ with anyone. We think after you try them, you may naturally want to share. If you do this you can benefit financially from the Purely Giving Compensation, but this is completely optional.

Where is Purely Giving™ located?

We are headquartered just outside of Toronto, Ontario, Canada.

Where are the Purely Giving™ Products Manufactured?

All Purely Giving™ products are manufactured in the United States in GMP-Compliant facilities.

Why is the company called Purely Giving™?

We believe in the philosophy that oftentimes, fulfillment in life comes from giving back. We believe in giving to yourself through the gift of better health and financial prosperity, as well as giving back to the world through meaningful charitable gifts. It's for that reason that we called the company Purely Giving™.

What is the Purely Giving™ Mission of #ONEMILLIONGIFTS all about?

Our goal is to purely give in excess of #ONEMILLIONGIFTS a year through our charitable partners, including global partner B1G1. Through B1G1, each kit sold provides 40 gifts of health to those in need, such as a month's supply of clean drinking water, a week's worth of seeds for agricultural crops, vitamins and vocational training to at-risk children and women.

Is Purely Giving™ a network marketing company or MLM?

Purely Giving™ is a giving company that sells premium nutritional products focusing on weight management, energy, sleep and other health related issues. Our commission/distribution model is multi-level marketing, meaning Members are able to earn residual income on the purchases of those that they share Purely Giving with (commission is paid on multiple levels).

The MLM or Network Marketing model has some significant advantages and is has been proven now for decades and decades. Unfortunately some companies that use this model use undesirable business practices, including: forced monthly product deliveries, unfair return policies, huge upfront cash commitments, inferior products, and deceptive recruiting practices.

These are all things we at Purely Giving, are keenly aware of and have chosen to specifically address in the way we conduct our business. 1) We don't force anyone to have a monthly delivery, and do not require this to earn commissions. 2) We offer a 30-day no questions asked, empty box, money-back guarantee on every person's first order with Purely Giving (and a 90-day pro-rated return on unused product on subsequent orders. 3) Our enrolment fee is only \$39, and we don't force people to purchase several thousand dollar in order to join us.

Who are the founders?

Our founder and CEO, Brad Woodgate has always been passionate about helping others and living healthy. He lives and breathes these principles every day and has been able to help others do the same over the past 17-years through his work in the nutraceutical industry.

Purely Giving™ Compensation

How can I earn money with Purely Giving™?

The simple answer is by sharing Purely Giving with others, and having those people purchase Purely Giving™ products. The more you share, the more people buy, the more you can earn. If you are interested, keep reading for the specifics of our compensation plan!

Can you tell me a little about the compensation plan?

Sure. There are a lot of different compensation plans out there—literally thousands. Some heavily reward the new enrollee, some heavily reward leaders. Some offer lots of ways to get paid (these are complicated), some offer very few (these are usually unbalanced). We have designed a balanced plan and purposefully tried to fall in the middle so both the new person and the established leader could benefit.

We chose to focus specifically in these key areas:

Simplicity. Compensation Plans in general can be rather complicated, there is no way to sugar coat this. We have taken multiple steps to simplify our plan though. Using the volume requirements in the rank titles (1K Purely Giving Advocate, 2K Purely Giving Advocate, etc...), using monthly volume as the way to advance from rank to rank, earning through 5 different ways (not 8, 9, or 10 like some plans).

Consistent Sponsoring and Selling. The Purely Giving Compensation Plan rewards those that actively Sponsor and consistently market and sell Purely Giving products. Our Super Start 60 Bonus pays accelerated commissions on the first 60 days for each new person you enroll (20% on the first level, 10% on the second level and 5% on the third level).

Subscribe and Save. Similar to Amazon, we offer an additional discount through our Subscribe and Save (SAS) program. With SAS, you can get your products automatically delivered every month at the best price.

Early Growth. We specifically created multiple ranks and rewards early on—that is why we have four ranks before 5,000GV (1K, 2K, 3K, and 5K levels), where many plans only have 2 ranks. We want to keep people advancing and keep achievable targets early on to help people achieve momentum and belief.

How do I become eligible to earn commissions with Purely Giving™?

Just two things. 1) Enroll as a Purely Giving Member and 2) Remain Active as a Member

What is Personal Volume (PV)?

Each Purely Giving product and/or kit has a Personal Volume (PV) value. This number determines the amount of commission that is paid on the product.

Are my commissions calculated on the purchase price or the personal volume of the products that my team orders?

You earn commissions based on the Personal Volume ordered each month by those you sign up in Purely Giving™. The price of Purely Giving™ kits vary depending whether you are a Member or Customer and whether you enroll on the Subscribe and Save program (SAS). The Personal Volume (PV) value does not change.

What are the specific ways that I can earn money with Purely Giving™?

There are five ways to earn with Purely Giving™. This includes Retail Sales, Team Commissions, Global Leadership Bonus Pools, Super Start 60 Bonus and Subscribe & Save (SAS) Bonuses.

What are retail commissions?

The simplest way to get paid with Purely Giving™ is Retail Earnings. When Members sell products to interested customers, they receive the difference between the retail price and the wholesale price.

What are team commissions?

Qualified Members can earn residual monthly income from the purchases of their team members through **7 levels**. This is called Group Volume or GV. As you advance from rank to rank (ranks are achieved by increasing your monthly GV), your opportunity to earn increases. Team Commissions begin after the Super Start 60 Bonus ends (the first 60 days for each new enrollee). Please refer to the Team Commission payout chart on the Purely Giving website for specific percentages.

What is the Super Start 60 bonus?

The Super Start 60 Bonus pays Purely Giving Members increased commissions on the **first 60 days** of product orders for EVERY new Member they enroll. 20% on your first level (the people

you directly enroll), 10% on your second level (the people enrolled by your first level) and 5% on the third level (the people enrolled by your second level). After the Super 60 Bonus ends, Team Commissions begin (on day 61). Please refer to the Team Commission payout chart on the Purely Giving website for specific percentages.

What is the Subscribe and Save Bonus (SAS)?

The **Subscribe and Save Bonus** rewards Purely Giving™ Members that participate in our **Subscribe and Save** monthly delivery program (SAS), and get at least four of their personally enrolled team members to do the same.

The **Subscribe and Save Bonus** begins when you have at least four people on your first level that have their Subscribe and Save (SAS) orders processed. These means when they sign-up, their initial order does not count towards the Fortune of Four bonus. It will be in their 2nd month once their monthly Subscribe and Save (SAS) order has processed.

What are the Global Leadership Bonus pools?

When a Member achieves the rank of a **20K Purely Giving Mentor**, they become eligible to participate in Purely Giving™'s Leadership Bonus Pools.

We really want everyone to work together at Purely Giving™ and that is why we have created the Global Leadership Bonus Pools. As total Company volume grows, so does the value of the Bonus Pools.

Each Leadership Bonus Pool is worth 1% of total corporate volume each month, and is paid out equally to all qualified Members in the pool.

For example: If total company volume for the month was 1,000,000, each bonus pool would be worth \$10,000 (1% of the volume). So if the pool had 10 qualified Members, each Member would receive \$1,000.

When Members advance past the rank of 20K Mentor, they participate in ALL Bonus Pools achieved. For example, a qualified 50K Purely Giving Executive would receive a share of the 20K, 30K & 50K pool.

Can you give me an example of how much I might earn with Purely Giving™?

This varies from person to person, and this is not a get rich quick scheme. For those willing to share Purely Giving™ with others, earnings may be substantial.

Here is a really quick scenario: Assuming both of you are Members, and you have placed a qualifying order(s) of 120PV or greater in the month, you could expect the following:

If one of your Members orders a Journey + Giving Kit, (which has a value of **400 PV**), you would receive a 20% commission (\$80) if this order was in their first 60 days (through the Super Start 60 Bonus).

If you enroll four people, all with Journey Kit + Giving Kits, and all on Subscribe and Save, you would receive a 20% commission (\$320) from the combined four orders (because the orders are in their first 60 days). The following month you would again receive \$320 (since those orders would still be in their first 60 days), plus, since they are enrolled on Subscribe and Save (SAS), you would receive an additional \$100 for the Subscribe and Save (SAS) Bonus.

What's the 60% rule?- Up to 60% of your qualifying volume can come from a single leg (leg meaning someone who you personally enroll on your first level and all of their group volume). The other 40% needs to come from a combination of all of your other legs. This creates balance on your team, and is a benefit to those actively building their Purely Giving™ business

What is the PV of the Purely Giving™ Products? Our products and packs were designed to meet the monthly PV requirements. For example, the Journey + Giving Kit will have 400PV, the Journey Kit will have 240PV, the Weight-Loss Maintenance Kit will have 120PV, and the Giving Sample Kit will have 120PV.

Giving—The Purely Giving™ Way

I heard Purely Giving™'s mission is to give #ONEMILLIONGIFTS what does that mean?

Our goal is to purely give in excess of 1,000,000 gifts a year through our charitable partners that share the same health and wellness values as we do.

How does Purely Giving™ give back?

Through our global partner B1G1, each kit sold provides gifts of health to those in need, such as a month's supply of clean drinking water, a week's worth of seeds for agricultural crops, vitamins and vocational training to at-risk children and women.

In addition, we also encourage all of our members to dedicate 10% of their commissions to join our #ONEMILLIONGIFTS mission of gifting to people in need, donating to causes you are passionate about, helping family members that might need a boost or anywhere you think you can help.

Who are your giving partners?

We've carefully vetted & selected B1G1, a social enterprise and global non-profit organization with a mission to create a world full of giving. What we love most about working with them is 100% of our giving goes directly to the projects we've chosen.
